

DERBI-ANCHOR FASCIA

DESCRIPTION

DERBI-ANCHOR Fascia provides your roofing system with the maximum protection against wind up-lift damage that is available in today's roofing market. Supported by extensive industry testing to bring long-term, worry-free performance. In addition, DERBI-ANCHOR Fascia is designed for fast and easy installation, eliminating the stripping in that is typical of other roof edge designs.

ADVANTAGES

- ▶ Non-penetrating design eliminates the need for stripping-in or heat welding that are typical with other roof edge systems
- ▶ Manufactured in 12 ft lengths with pre-punched holes that are slotted to allow for proper thermal movement
- ▶ FM approved
- ▶ Carefully designed and ANSI/SPRI/ES-1 Tested to comply with the International Building Code
