

SENTINEL® PVC P150 Curbs & Sleepers

High-quality, Custom PVC Flashing details

DESCRIPTION

Rooftop equipment and HVAC units or Skylights come in all shapes and sizes depending on the needs of the individual building. SENTINEL® PVC custom-fabricated boxes and sleeper boxes are manufactured to your precise specifications and hand-welded in our controlled factory environment to ensure the best quality and performance.

PRODUCTS

Curbs: Curb wraps can be made split, non-split, 2-piece and 4-piece. A quick easy fix for a variety of HVAC units, our pre-fab curbs are sure to be one of the biggest time-savers out in the field. Curb wraps are made to order for your specific needs.

Sleepers: Closed-top sleeper boxes are made to order and available in any size. Tapered versions are also available.

CUSTOM SPECIFICATIONS

SENTINEL® PVC P150 Curbs and Sleeper are made to order and can be made split, non-split, 2-piece and 4-piece. Specify whether a split or non-split cone is desired. NOTE: Please provide measurements in inches only, in 1/8 increments. Make sure that the measurements provided are of the outside diameter.

STORAGE & HANDLING

Store SENTINEL® PVC Curbs and Sleepers in a cool, shaded area and cover with a light-colored breathable, waterproof tarpaulin. Products that have been exposed to the elements must be prepared with PVC membrane cleaner prior to heat welding.
